Welcome back

Welcome back everyone!

The start of the year has gone really well and everyone has been really well behaved and looks smart in their uniform.

We have welcomed pre-school in to the building and it has been lovely having lots of new little ones running around!

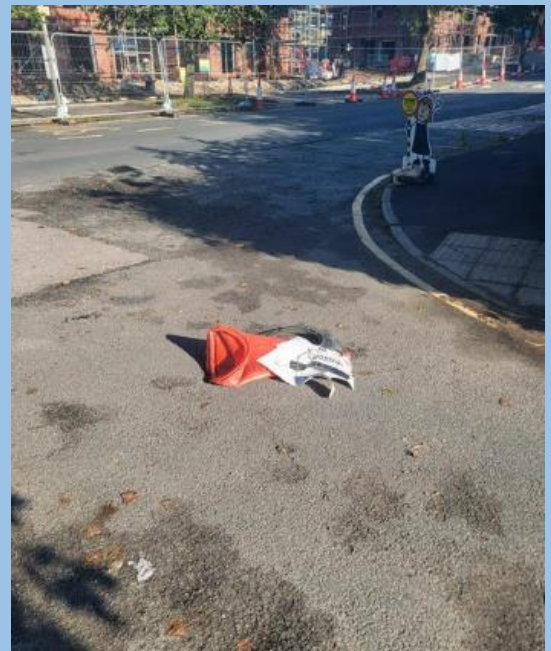

In collective worship we have reflected on building firm foundations for the year ahead and making a positive start to the year.

Road safety

Please can you be extra careful on the roads near school if you are dropping off. You may have to park a little further away due to the construction works at the moment.

There are cones and safety signs out – please do not park near them.

Thank you for helping to keep our children safe.

Medical

If your child has a long term medical condition such as asthma, please ensure we have any up to date information or medication.

In these circumstances it is important that we have the medical report/plan on record so please ensure we have a copy. We can photocopy one for you when you drop off if that makes it easier.

Coffee morning

Miss Mottram, our pastoral lead, is planning on hosting a coffee morning to explain more about her role and the support that is available across Cheshire East to support you and your children.

If you are able to complete the Google Form this will us to plan events and look for appropriate professionals to come and offer support.
