Pupil News

We have been all getting used to our new classes and routines this week. There have been lots of changes around the school so it has taken some getting used to but things are running smoothly.

Some of the extra-curricular clubs have started which has been really fun.

In collective worship we have been thinking about how there are so many different people in our school which make up the school family. We tried to count them all but lost count there were so many! However, when we work together then we can achieve the school vision of 'making a difference in the world.'

Check out Croia's award winning snail made from fruit and vegetables below.

Parent support

Visyon offer lots of support to parents. Please check out their website for details of courses available to support your children across a wide range of needs.

Coffee morning

Thank you to those who completed our survey about a coffee morning to share more on our pastoral support here at St John's.

Based on the responses we are planning on hosting a coffee morning on Thursday 23rd October at 9am straight after drop off.

We will share more details on the event nearer the time but please put it in your diaries.

I will leave the google form below open for one more week if you would like to complete for our planning.

Operation Encompass

St John's is an operation encompass school. This means that we work jointly with police. If the police visit you for any reason, then they will automatically let us know so that we can support you and help to keep everyone safe.

Parent support

There are a number of drop in sessions available in Cheshire East. There is a summary below and you can find more information on the attached documents.

0-19+ SEND Drop in.

SEND 0-19+ health practitioners (On behalf of health visitor/school nursing service Cheshire East) for parents of children & Young people for support, signposting and guidance with all SEND related issues and helping to understand why your child may be struggling and ideas that may help. Think your child may have SEND and not sure where to go or what to do? Need support around toileting, sleep, behaviour or development – feel free to drop in for a chat.

Educational Psychology team Supporting Parents and Carers.

The Educational Psychology (EP) Service is offering appointments for parents and carers at Cheshire East Family Hubs, held every half term in both North and South localities. These informal sessions are an opportunity to discuss concerns, seek advice and explore strategies to support your child or young person. Our focus areas are **Cognition and Learning** and **SEMH (Social, Emotion and Mental Health)** needs. They are not sessions for local authority processes (e.g. EHCPs or placement changes) or child assessments.

Talking Walk-in- here you can talk to a Speech and language therapist to gain helpful hints and tips to support your child's speech and language.

You're invited!

This coming Sunday

Join us for worship, fun activities and food (drinks, croissants and bacon butties) in this very informal service

Attendance

Attendance remains incredibly important. I am pleased that our overall attendance improved last year and I would like to keep that progress going this year.
